

# BACK TO SCHOOL SUPPLY DRIVE

The McKenzie Noelle Wilson Foundation is thankful for your interest in helping equip our students for a new school year! Our "Back to School" supply drive is a critical part of setting our students up for a successful year.

Many families in our MARC communities are challenged by meeting this need for their children. This puts our students at a disadvantage, which is a barrier to reaching their full academic potential. These supplies will be distributed to Portside and Countryside students who are registered at our academic resource centers within the community.

On our website, we have each school's requested supply lists broken down by grade level. We encourage you to "sponsor" a child by creating a backpack full of the items on the appropriate list for the gender/grade in which you wish to provide. If you cannot sponsor a grade level specific student, any and all school supply donations are greatly appreciated.

We will be collecting supplies now through **August 10<sup>th</sup>**.

All supplies can be dropped off at the MARC in Portside located at 13936 Ascot Drive, Jacksonville, FL 32250 between the hours of 10-4pm Monday-Friday. If you have any questions or would like for us to arrange a pick up, feel free to call us at 904-992-5830.

Thank you for your generosity and support to make a difference in your communities!

## **McKenzie's Academic Resource Centers (MARC)**

MARC centers serve over 300 at-risk youth in two Jacksonville communities. McKenzie's Academic Resource Centers offer academic tutoring, mentoring and developmental programs for students of all ages. The MARC builds a bridge between the classroom and community by connecting teachers, tutors, mentors, and volunteers to our students.
